Wainganga Bahu-Uddeshiya Vikas Sanstha was established by renowned and philanthropic people with an objective of providing education to all especially the down trodden and rural population. Considering the growing demands for technical education in the country the trust has started an engineering college namely Wainganga College of Engineering and Technology, Nagpur for the academic year 2020-21.

The Management strives hard to enhance the professional knowledge, skills and attitudes of educators, so that they might in turn improve the learning process of students. The college aims at developing a deep understanding of the human values and social concerns among the engineering graduates.

In line with the vision and mission the trust always takes initiatives to provide financial assistance to the students coming from economically backward family. The Scholarships are awarded to students with financial need, as determined by the Scholarship Committee comprising of Chairman, Secretary, Principal and Account Officer. This financial aid comes from a dedicated scholarship fund of the Trust. Any student who is economically weak, and/or from a rural area is eligible to apply. The applicant must furnish the relevant details as proof of his/her eligibility. A good academic record is a must.

The following document(s) are required.

1. Application of student stating parent's income along with certificate from competent official.
2. Statement of Marks

Based on the category scholarships awarded are

Wainganga Bahu-Uddeshiya Vikas Sanstha was established by renowned and philanthropic people with an objective of providing education to all especially the down trodden and rural population. Considering the growing demands for technical education in the country the trust has started an engineering college namely Wainganga College of Engineering and Technology, Nagpur for the academic year 2019-20.

The Management strives hard to enhance the professional knowledge, skills and attitudes of educators, so that they might in turn improve the learning process of students. The college aims at developing a deep understanding of the human values and social concerns among the engineering graduates.

In line with the vision and mission the trust always takes initiatives to provide financial assistance to the students coming from economically backward family. The Scholarships are awarded to students with financial need, as determined by the Scholarship Committee comprising of Chairman, Secretary, Principal and Account Officer. This financial aid comes from a dedicated scholarship fund of the Trust. Any student who is economically weak, and/or from a rural area is eligible to apply. The applicant must furnish the relevant details as proof of his/her eligibility. A good academic record is a must.

The following document(s) are required.

1. Application of student stating parent's income along with certificate from competent official.
2. Statement of Marks

Based on the category scholarships awarded are

Wainganga Bahu-Uddeshiya Vikas Sanstha was established by renowned and philanthropic people with an objective of providing education to all especially the down trodden and rural population. Considering the growing demands for technical education in the country the trust has started an engineering college namely Wainganga College of Engineering and Technology, Nagpur for the academic year 2018-19.

The Management strives hard to enhance the professional knowledge, skills and attitudes of educators, so that they might in turn improve the learning process of students. The college aims at developing a deep understanding of the human values and social concerns among the engineering graduates.

In line with the vision and mission the trust always takes initiatives to provide financial assistance to the students coming from economically backward family. The Scholarships are awarded to students with financial need, as determined by the Scholarship Committee comprising of Chairman, Secretary, Principal and Account Officer. This financial aid comes from a dedicated scholarship fund of the Trust. Any student who is economically weak, and/or from a rural area is eligible to apply. The applicant must furnish the relevant details as proof of his/her eligibility. A good academic record is a must.

The following document(s) are required.

1. Application of student stating parent's income along with certificate from competent official.
2. Statement of Marks

Based on the category scholarships awarded are

Wainganga Bahu-Uddeshiya Vikas Sanstha was established by renowned and philanthropic people with an objective of providing education to all especially the down trodden and rural population. Considering the growing demands for technical education in the country the trust has started an engineering college namely Wainganga College of Engineering and Technology, Nagpur for the academic year 2017-18.

The Management strives hard to enhance the professional knowledge, skills and attitudes of educators, so that they might in turn improve the learning process of students. The college aims at developing a deep understanding of the human values and social concerns among the engineering graduates.

In line with the vision and mission the trust always takes initiatives to provide financial assistance to the students coming from economically backward family. The Scholarships are awarded to students with financial need, as determined by the Scholarship Committee comprising of Chairman, Secretary, Principal and Account Officer. This financial aid comes from a dedicated scholarship fund of the Trust. Any student who is economically weak, and/or from a rural area is eligible to apply. The applicant must furnish the relevant details as proof of his/her eligibility. A good academic record is a must.

The following document(s) are required.

1. Application of student stating parent's income along with certificate from competent official.
2. Statement of Marks

Based on the category scholarships awarded are

Wainganga Bahu-Uddeshiya Vikas Sanstha was established by renowned and philanthropic people with an objective of providing education to all especially the down trodden and rural population. Considering the growing demands for technical education in the country the trust has started an engineering college namely Wainganga College of Engineering and Technology, Nagpur for the academic year 2016-17.

The Management strives hard to enhance the professional knowledge, skills and attitudes of educators, so that they might in turn improve the learning process of students. The college aims at developing a deep understanding of the human values and social concerns among the engineering graduates.

In line with the vision and mission the trust always takes initiatives to provide financial assistance to the students coming from economically backward family. The Scholarships are awarded to students with financial need, as determined by the Scholarship Committee comprising of Chairman, Secretary, Principal and Account Officer. This financial aid comes from a dedicated scholarship fund of the Trust. Any student who is economically weak, and/or from a rural area is eligible to apply. The applicant must furnish the relevant details as proof of his/her eligibility. A good academic record is a must.

The following document(s) are required.

1. Application of student stating parent's income along with certificate from competent official.
2. Statement of Marks

Based on the category scholarships awarded are
