UGC circular dated 15 July 2016

Dear Sir / Madam,

Rajiv Gandhi National Institute for Intellectual Property Management (RGNIIPM) is National Center of Excellence Central Government Institute under the Ministry of Commerce & Industry engaged in conducting International Trainings and awareness workshops on Intellectual Property Rights (IPR) i.e. Patents, Designs, Trademarks, Copyrights, GI etc.

At present, filing of Indian IP applications/Patents by Institutes, University, Industries are very low despite their significant contribution towards R&D and thus patent applications filed by the Indian Inventors and Companies are very less as compared to foreign applicants. Also it was often observed that many inventors are losing the chance of obtaining Patents, designs for their inventions by commercially using or publishing their inventions in newspapers or scientific and technical journals and such inventions are thus remain unprotected and lose their exclusive rights. It is a common experience that through ignorance of Patent/designs, inventors jeopardize the chance of obtaining patents/designs for their inventions by commercially using or publishing their invention in newspapers or scientific and technical journals, before applying for patents. Hence many Indian inventions are not patented and thus remain unprotected.

Therefore, in order to implement the objectives of National IPR Policy 2016 and to safeguard the interest of the inventors & to upgrade IP skills of Teachers, students, scientists, RGNIIPM has decided to conduct "Free Online workshop on IPR- Patents & Designs" for Educational Institutions, students, various organizations in order to protect their inventions. The program will be around one hour session/lecture which can be organized.

We can arrange online program and share online link CISCO webex in which you can nominate 100 to 1000 participants OR you can also arrange link (as per your convenience)
Appreciation letter to organization & coordinators will be given after the program.

In this connection, I would like to request you to inform this office, about the **willingness** of your organization for holding **WORKSHOP ON IPR- Patents, Designs** with your suitable any 2/3 dates on cover letter with approximate number of participants who will attend.
